ARTICLE II. OPERATION OF VEHICLES GENERAL.

Sec. 3218. Driving on sidewalks and in safety zones.

No driver of a vehicle shall drive within any sidewalk area, except at a permanent or temporary driveway, nor into or upon any portion of a roadway marked as safety zone. (Code 1965, Sec.41.09)

Sec. 3219. Driving through procession.

- (a) No driver of a vehicle shall drive between the vehicles comprising a funeral or other authorized procession while they are in motion and when such vehicles are conspicuously designated as required in this section. This provision shall not apply at intersections where traffic is controlled by traffic control signals or police officers.
- (b) A funeral composed of a procession of vehicles shall be identified as such by the display upon the outside of each vehicle of a pennant of a type designated by the Police Department.
- (c) Each driver of a vehicle in a funeral or other procession shall drive as near the right hand edge of the roadway as practical and follow the vehicle ahead as close as is practical and safe. (Code 1965, Sec. 41.10)

Cross references Disturbing funerals, Code 1965, Sec. 22 12, permit for funeral parades, Sec. 29 3.

Sec. 3220. Traffic not to be obstructed.

No vehicle shall be operated or allowed to remain upon any street in such a manner as to form an unreasonable obstruction to the traffic thereon. (Code 1965, Sec. 41.12)

Sec. 3221. Stopping in intersection.

No driver shall enter an intersection or a marked crosswalk unless there is sufficient space on the other side of the intersection or crosswalk to accommodate the vehicle he is operating without obstructing the passage of other vehicles or pedestrians, notwithstanding any traffic control signal indication to proceed. (Code 1965, Sec. 41.13)

Sec. 3222. Trucks on Fifth Avenue.

Cross Reference Truck traffic prohibited on Fifth Avenue at certain times, Sec. 32 22.

When signs are erected giving notice thereof, no person shall operate any truck or motorcycle upon South Fifth Avenue from Court Street to Station Street between the hours of 6:00 p.m. and 6:00 a.m. This section shall not apply to police vehicles, fire vehicles, ambulances and emergency vehicles of public utilities when on emergency calls.

The Superintendent of the Environmental Services Utility is hereby authorized and directed to place appropriate highway signs designating the prohibition contained in this section. (Code 1965, Sec. 41.33)

Sec. 3223. Reckless driving.

Any person who drives any vehicle on any street, road or public way within the corporate limits of the City of Kankakee with a willful or wanton disregard for the safety of persons or property is guilty of reckless driving. (Ord. No. 76 58 ,
Sec. 1, 9 20 76)

Editor's note Sections 32 23 - 32 27 are derived from the ordinances indicated in the history note following each section. Said ordinance did not specifically amend this Code.

Sec. 3224. Starting stopped vehicle.

No person shall start a vehicle which is stopped, standing, or parked unless and until such movement can be made with reasonable safety. (Ord. No. 76-59, Sec.1, 9 20 76)

Editor's Note See the editor's note following Sec. 32 23.

Sec. 3225. Motor vehicles equipped with muffler exhaust system.

Every motor vehicle driven or operated upon the streets, roads and public ways within the corporate limits of the City of Kankakee shall at all times be equipped with an adequate muffler or exhaust system in constant operation and properly maintained to prevent any excessive or unusual noise. No such muffler or exhaust system shall be equipped with a cut out bypass or similar device. No person shall modify the exhaust system of a motor vehicle in a manner which will amplify or increase the noise of such vehicle above that emitted by the muffler originally installed on the vehicle. (Ord. 76 57, Sec. 1, 1 20 76)

Editor's Note See the editor's note following Sec. 32 23.

Sec. 3226. Lamps required on motorcycles, other motor vehicles; illumination of registration plate.

- (a) When upon any street, road or public way situated within the corporate limits of the City of Kankakee every motorcycle shall at all times exhibit at least one lighted lamp, showing a white light, commonly known as the driving lamp, visible for at least five hundred (500) feet in the direction the motorcycle is proceeding. All other motor vehicles shall, during the period from sunset to sunrise, or at any other time when visibility is so limited as to require the use of lights for safety, exhibit two (2) such lighted driving lamps showing white lights or lights of a yellow or amber tint, visible for at least five hundred (500) feet in the direction the motor vehicle is proceeding. Parking maps may be used in addition to but not in lieu of any such driving lamps. Every motor vehicle, trailer or semi trailer shall also exhibit at least two (2) lighted lamps, commonly known as trail lamps, which shall be mounted on the left rear and right rear of the vehicle so as to throw a red light visible for at least five hundred (500) in the reverse direction, except that a motorcycle or truck tractor or road tractor manufactured prior to January 1, 1968 need be equipped with only one such lamp.
- (b) Either a tail lamp or a separate lamp shall be so constructed and placed as to illuminate with a white light at rear registration plate when required and render it clearly legible from a distance of fifty (50) feet to the rear. Any tail lamp or tail lamps together with any separate lamp or lamps for illuminating rear registration plate, shall be so wired as to be lighted whenever the driving lamps or auxiliary driving lamps are required. (Ord. No. 76 61, Secs. 1, 2, 9 20 76)

Editor's Note See the editor's note following Sec 32 23.

Sec. 3227. Driving on roadways divided into two or more lanes.

Whenever any roadway has been divided into two (2) or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

- (a) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.
- (b) Upon a roadway which is divided into three (3) lanes and provides for two way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle traveling in the same direction when such center lane is clear of traffic within a safe distance, or in preparation for making a left turn or where such center lane is at the time allocated exclusively to traffic

moving in the same direction that the vehicle is proceeding in such allocation is designated by official traffic control devices.

- (c) Official traffic control devices may be erected directing specific traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and drivers of vehicles shall obey the directions of every such sign.
- (d) Official traffic control devices may be installed prohibiting the changing of lanes on sections of roadway and drivers of vehicles shall obey the directions of every such device. (Ord. No. 76 60 Sec 1, 9 20 76)

Editor's Note See the editor's note following Sec. 32 23.

Sec. 3228. Streets and alleys designated as boulevards; truck and/or bus traffic prohibited.

The following streets and alleys are hereby designated as boulevards. Truck and/or bus traffic is prohibited as indicated:

Alley, between Eighth Avenue and Ninth Avenue from Harbor Street to Park Drive (truck or bus traffic).

Alley, between Fifth Avenue and Eighth Avenue from Park Drive to Harbor Street (truck or bus traffic).

No rider of a bicycle shall remove both hands from the handlebars or feet from the peddles, or practice any acrobatic or fancy riding on any street, nor shall any person operating a bicycle upon a public highway participate in any race for speed, or endurance contest with any other vehicle, except under permit from and under the supervision of the chief of police, or delegated authority. (Code 1965, Sec. 43 05)

Sec. 3246. Parking.

No person shall park a bicycle upon a roadway in front of a business establishment. Bicycles parked in any alley, in a public driveway, on a sidewalk, or on a public path, must be in such a position as not to interfere with the safety or movement of the vehicular or pedestrian traffic. (Code 1965, Sec. 43.05)

Sec. 3247. Dealer's report required.

All persons engaged in the business of buying or selling new or secondhand bicycles shall make a written report before the tenth (10th) day of each month, to the Chief of Police, or delegated authority, giving the name and address of the person purchasing or selling, the description of the bicycle, the number thereof and the registration number, if any. (Code 1965, Sec. 43.06)

Sec. 3248. Regulations for rental agencies.

Bicycles offered for rent by a rental agency shall be equipped by the rental agency with the lights and other safety equipment required by this article and shall be kept in good and safe working order. Rental agencies shall comply, in all respects with all the provisions of this article and shall be responsible for the conditions of the bicycles they rent. The Chief of Police, or delegated authority shall make periodical inspections of rental agencies to ascertain in that they are complying with the provisions of this article. (Code 1965, Sec. 42.06)

Sec. 32 49. Transfer of ownership.

It shall be the duty of every person who sells, or transfers ownership of, or junks any bicycle, except dealers, to report within seven (7) days of the date of such sale, transfer, or junking to the Chief of Police, or delegated authority, together with the name and address of the person to whom said bicycle was sold or transferred. It shall be the duty of the purchaser or transferee of such bicycle to apply for the registration thereof within seven (7) days of the sale or transfer as the case may be. (Code 1966, Sec. 32.57)

Sec. 3250. Enforcement, impoundment.

- (a) The Chief of Police, or delegated authority is hereby authorized and empowered to administer the provisions of this article. The Chief of Police is hereby authorized and empowered to impound for a period of not to exceed thirty (30) days any unregistered or improperly registered bicycle or the bicycle of any person used in violation of any provision of this Code relating to street traffic, insofar as they are applicable, whether operated by the owner or by another at the title of the violation. The action of the Chief of Police in impounding a bicycle, as provided in this section, shall be conclusive and final. The impounding of a bicycle shall not preclude the imposition of any other penalties. (Code 1965, Sec. 43.08)

Sec. 3251. Record of violations.

The Chief of Police or his delegated authority, shall keep a record of all persons violating the provisions of this Code relating to the use of bicycles, and of the violation committed, and of the registration number, if any, of the bicycle impounded. (Code 1965, Sec. 43.08)

Sec. 3252 2 56. Reserved.

DIVISION 2 . REGISTRATION

Sec. 3257. Registration Required.

Every owner of a bicycle who resides within the City except a dealer in bicycles, and every person residing in the City within ten (10) days after becoming the owner of a bicycle shall make application in writing for registration of every bicycle owned by him, with the Chief of Police, or delegated authority, on the form prescribed by the Chief of Police, or delegated authority. It shall be unlawful for any person to operate an unregistered bicycle on any street, alley or public way in the City. (Code 1965, Sec. 43.03)

Sec. 3258. Application; inspection; refusal to register.

The application to register a bicycle shall contain the name of the owner, his address, the trade name of the bicycle, if known, and the color and frame number of the bicycle, if any. The Chief of Police or delegated authority shall inspect each bicycle for which application is made for registration and he may refuse to register any bicycle which is not properly equipped or is in an unsafe condition. (Code 1965, Sec. 43.03)

Sec. 3259. Record keeping required.

The Chief of Police or delegated authority, shall keep a record of the date of the application for registration, the name of the owner of each registered bicycle, his address, the trade name of said bicycle, if any is known, the color of the bicycle, the frame number if any and the registration number assigned to and affixed upon the bicycle. (Code 1965 , Sec. 43.03)

Sec. 3260. Marking of number required.

The Chief of Police, or delegated authority, shall, upon approval of the condition of the equipment of the bicycle, stamp in a distinguishing manner, the registration number on the frame of the bicycle registered. It shall be unlawful for any person to remove, destroy, mutilate or alter the number on any bicycle frame or the number affixed to any bicycle by the Chief of Police on any bicycle registered pursuant to this division. If the registration number stamped on any bicycle has been destroyed or impaired from any cause, the bicycle shall not be registered. (Code 1985, Sec. 43.03)

Sec. 3261. Fee for bicycle registration.

The application for registration of a bicycle shall be accompanied by a fee not to exceed fifty cents (\$0.50) to be paid in advance at the time of the issuance of the license. Such license shall be transferred when the ownership of such bicycle is transferred. (Code 1965 , Sec. 43.03)

Sec. 3262 32 71. Reserved.

ARTICLE VIII. SIGNS, SIGNALS AND MARKINGS

*Cross Reference- Advertising signs, Sec. 3 13 et seq.; injuring or removing signs, Sec. 22 27.

Sec. 32126. Placement of traffic control devices.

When official traffic control devices, signs or markings are required to be placed by this chapter or by law, it shall be the duty of the Superintendent of the Environmental Services Utility to cause suitable devices, signs or markings to be placed in such areas, if not so placed by the State Department of Public Works and Buildings. (Code 1965, Sec. 41 05)

Sec. 32127. Marking crosswalks and safety zones.

The Superintendent of the Environmental Services Utility is hereby authorized to maintain, by appropriate devices, marks or lines upon the surface of the roadway, crosswalks at intersections where in the opinion of the Chief of Police there is particular danger to pedestrians crossing the roadway. (Code 1965, Sec. 41 06)

Sec. 32128. School crossing signals.

- (a) For purposes of this section, a "school crossing signal" is a permanently mounted electrically operated signal device equipped with two way two (2) color (red and yellow) signal heads, together with a diamond shaped single faced sign reading "School Crossing" by which at predetermined times and when actuated by push button, traffic is directed to stop so as to permit school children to cross the street or highway safely.
- (b) Whenever the red lens of a school crossing signal is illuminated by rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked, or, if none, then before entering the intersection, and pedestrians within or entering the roadway have the right of way over vehicle so stopped. Drivers of vehicle having so yielded the right of way to pedestrians entering or within the nearest crosswalk at an intersection may proceed but shall also yield the right of way to pedestrians within any other crosswalk at the intersection. If a school crossing signal is erected and maintained at a place other than an intersection, the provisions of this section also shall be applicable, except as to provisions which by their nature can have no application.
- (c) School crossing signals shall be erected at the following location and if such locations are under the jurisdiction of the State of Illinois Department of Public Works and Buildings, the erection of such signals shall be subject to the approval of such department:

Harrison Avenue and Mulberry Street.
Indiana Avenue and Chestnut Street.
Indiana Avenue and Hickory Street.
Indiana Avenue and Mulberry Street.
Maple Street and Patrick Avenue.
Orchard Avenue and Court Street.
Schuyler Avenue and Hawkins Street.
Stone Street and Fifth Avenue.

(Code 1965, Sec. 41 20; Ord. No.74 16, Sec. 1, 5 20 74; Ord. No. 74 17, Sec. 1, 5 20 74;
Ord. No. 75 35 , Sec. 1, 7 7 75)

Sec. 32129. Traffic control intersections designated; obedience required.

The intersections described in this section are designated traffic control intersections. When traffic control signals are erected and in operation at any such intersection, the driver of a vehicle shall obey the instructions of such signals, unless otherwise directed by a police officer. The following intersections are designated traffic control intersections.

Brookmont Boulevard and Kennedy Drive.
Court Street and Dearborn Avenue.
Court Street and East Avenue.
Court Street and Entrance Avenue.
Court Street and Fifth Avenue.
Court Street and Greenwood Avenue
Court Street and Harrison Avenue

Court Street and Hammes Avenue
 Court Street and Hobbie Avenue
 Court Street and Indiana Avenue
 Court Street and Interstate 57 outlet
 Court Street and Nelson Avenue.
 Court Street and Schuyler Avenue.
 Court Street and Wall Street.
 Court Street and Washington Avenue.
 Fifth Avenue and Kennedy Drive.
 Merchant Street and Schuyler Avenue.
 Oak Street and Schuyler Avenue.
 River Street and Schuyler Avenue.
 Station Street and Court Street.
 Station Street and Indiana Avenue
 Station Street and Main Street.
 Station Street and Schuyler Avenue.
 Station Street and Wall Street.

(Code 1965, Sec. 41 19, Schedule F; Ord. No. 73 7, Sec. 1, 1 15-73).

Sec. 32 130. Certain turns prohibited on Schuyler Ave. and East Avenue between 9:00 p.m. and 12:00 midnight.

When appropriate signs are erected giving notice thereof, the driver of a vehicle shall not make any of the following turns:

- (1) No left turn by northbound traffic on Schuyler Avenue onto Merchant Street.
- (2) No right turn by southbound traffic on Schuyler Avenue onto Merchant Street.
- (3) No right turn by northbound traffic on East Avenue onto Merchant Street.
- (4) No right turn by northbound traffic on East Avenue onto Court Street. (Ord. No. 88 8, Sec.1, 3 21 88)

Sec. 32131 32 139. Reserved.

ARTICLE IX. SIZE, WEIGHT AND LOAD

Sec. 32140. Regulating Size and Weight of Vehicles:

- A. Definition of Words and Phrases: The following words and phrases (when used in this Code) shall, for the purpose of this Code, have the meanings respectively ascribed to them in this Chapter, except when the context otherwise requires and except where another definition set forth in another Chapter of this Code and applicable to that Chapter or a designated part thereof is applicable.

Axle Load. The total load transmitted to the road by all wheels whose centers may be included between two parallel transverse vertical planes 40 inches apart extending across the full width of the vehicle. **City** is the City of Kankakee.

Commercial Vehicle. Any vehicle operated for the transportation of persons or property in the furtherance of any commercial or industrial enterprise, For-Hire or Not-For-Hire, but not including a commuter van, a vehicle used in a ridesharing arrangement when being used for that purpose, or a recreational vehicle not being used commercially.

Construction Vehicle. Any vehicle over 10,000 pounds actual weight, registered gross weight or G.V.W.R. that is required to comply with ILCS Ch. 625, Act 5, §12-712 and §12-713 on identification required to be displayed.

Gross Vehicle Weight Rating (GVWR). The value specified by the manufacturer or manufacturers as the maximum loaded weight of a single vehicle. The GVWR of a combination of vehicles (commonly referred to as the “Gross Combination Weight Rating” or GCWR) is the GVWR of the power unit plus the GVWR of the towed unit or units. In the absence of a value specified by the manufacturer, GCWR is determined by adding the GVWR of the power unit and the total weight of the towed unit and any load on the unit.

Gross Weight. The weight of a vehicle (whether operated singly or in a combination) without load, plus the weight of the load thereon.

Highway. The entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Implement of Husbandry. Every vehicle designed and adapted exclusively for agricultural, horticultural or livestock raising operations, including farm wagons, wagon trailers or like vehicles used in connection therewith, or for lifting or carrying an implement of husbandry.

Motor Vehicle. Every vehicle which is self-propelled and every vehicle which is propelled by electric power obtained from overhead trolley wires, but not operated upon rails, except for vehicles moved solely by human power and motorized wheelchairs. For this Act, motor vehicles are divided into two divisions:

First Division: Those motor vehicles which are designed for the carrying of not more than ten persons.

Second Division: Those motor vehicles which are designed for carrying more than ten persons, those motor vehicles designed or used for living quarters, those motor vehicles which are designed for pulling or carrying freight, cargo or implements of husbandry, and those motor vehicles of the First Division remodeled for use and used as motor vehicles of the Second Division.

Permit Route. The route authorized by the issuing authority with proper jurisdiction over the roadway(s) for which permission has been granted to move a vehicle or combination of vehicles that is in itself indivisible or carrying an indivisible load that exceeds normal dimensions or weight or a combination thereof.

Semitrailer. Every vehicle without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

Tandem Axles. Any two or more single axles whose centers are more than 40 inches and not more than 96 inches apart, measured to the nearest inch between extreme axles in the series, except as provided in Section 15-111 (625 ILCS 5/15-111) for special hauling vehicles.

Trailer. Every vehicle without motive power in operation, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.

Truck Tractor. Every motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

B. Overweight and/or Oversize Vehicles:

1. It shall be unlawful for any person to be in control of, to drive, to park, or move on, upon or across or for the owner to cause or knowingly permit to be parked, driven or moved upon or across, any street or highway under the jurisdiction of the city, any vehicle or combination of vehicles exceeding the size and weight limitations stated in the ILCS Ch. 625, Act 5, §15-102 (width), ILCS Ch. 625, Act 5, §15-103 (height), ILCS Ch. 625, Act 5, §15-107 (length), and ILCS Ch. 625, Act 5, §15-111 (weight).
2. Size and weight limitations while operating on city streets shall not apply to fire apparatus or equipment for snow or ice removal operations owned or operated by or for any governmental body or to implements of husbandry temporarily operated or towed in a combination in the furtherance of a farm or agricultural endeavor and to any vehicle or combination of vehicles operating under the terms of a valid oversize and/or dimension permit issued by the city under the authority of Section C hereof.
3. Where lower size and weight limits or other restrictions are imposed by ordinance under authority of ILCS Ch. 625, Act 5, §15-111, §15-316 and §15-317, and signs indicating such limitations or restrictions are posted, it shall be unlawful to operate any vehicle or combination of vehicles in excess of such size or weight limitations or in violation of such restrictions.
4. Whenever any vehicle or combination of vehicles is operated in violation of this Section, the owner and/or driver of such vehicle shall be deemed guilty of such violation and either or both the owner and driver of such vehicle may be prosecuted for such violation.

C. Permits for Overweight and/or Oversize Vehicles:

1. A permit shall be required for the movement of any vehicle or combination of vehicles with a nondivisible load on roadways and bridges within the jurisdiction of the City of Kankakee which exceeds the dimensions and weights permitted for the particular roadways to be traversed whether they be non-designated or designated roadways.
2. The City, with respect to any street or highway under its jurisdiction, may (upon application to the City Planner on forms provided by the planning and code department and good cause being shown therefore) issue a special permit authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in Section B herein above. The applicant shall furnish the following information in the special permit application:
 - a. The name and address of the owner or lessee of the vehicle.
 - b. Applicant's name.
 - c. Type of permit request, whether it be for a single trip, round trip or multiple routing.
 - d. The description and registration (or the Illinois Department of Transportation's (IDT) registration number or classification) of the power unit.
 - e. Description of the object or vehicle to be moved.
 - f. The number of axles of the vehicle or combination of vehicles.
 - g. The maximum axle weights of all single, tandem or series axles.
 - h. Maximum gross weight of the vehicle.
 - i. The maximum width, length and height of the vehicle and load.
 - j. Requested routing over city streets to and from a specific location.
3. For purposes of this Section, the following definitions apply:

- a. A one-way or single trip movement means one move from the point of origin to the point of destination. Any additional stops between the point of origin and the point of destination are expressly prohibited. Single trip permits are effective for seven (7) consecutive days from the date of issuance unless otherwise directed by the City Engineer.
 - b. Round trip movement means two trips over the same route in opposite directions. Round trip permits are effective for fourteen (14) consecutive days from the date of issuance.
 - c. Multiple moves are those in such close proximity to each other (in distance or in time) that the City Engineer would consider incorporating two or more permit moves within one permit application. Multiple move permits when granted by the City Engineer shall be for a period of time not to exceed ninety (90) days from the date of issuance.
4. The owner or his or her agent shall submit an application fee based on the below chart for a single routing which will be valid for seven calendar days, round trip routing valid for 14 calendar days and multiple routings valid for a base period of three months. Permits may be issued for a maximum of four consecutive permit periods (365 days) with the permit fee calculated in the appropriate multiples of the base three month multiple trip permit. Permits are valid only for the date periods specified on the permit and for the specific vehicle, load and routing as established by the City Engineer or designee. No substitution of vehicle, load or routing is permitted without expressed written permission by City Engineer or his or her designee and the permit must be carried in the vehicle to which the permit applies.

Permit Size – Weight (With Load)	Fee		
	Single Trip	Round Trip	Multiple
Up to 100,000 Pounds	\$50.00	\$75.00	\$150.00
100,001 – 120,000	\$75.00	\$100.00	\$200.00
120,001 – 150,000	\$100.00	\$125.00	
Over 150,001	100.00*	125.00*	

*Plus necessary and appropriate administrative, engineering and road damage fees.

Permit Size – Width (With Load)	Fee		
	Single Trip	Round Trip	Multiple
Up to 12'	\$25.00	\$40.00	\$75.00
12'1" – 13'6"	\$50.00	\$75.00	\$100.00
Over 13'6" Wide	\$50.00*	\$75.00*	

*Plus necessary and appropriate administrative, engineering and road damage fees.

Permit Size – Height (With Load)	Fee

	Single Trip	Round Trip	Multiple
13'6" – 14'6"	\$25.00	\$40.00	\$75.00
Over 14'6" Wide	\$50.00*	\$75.00*	

*Plus necessary and appropriate administrative, engineering and road damage fees.

Permit Size – Length (With Load)	Fee		
	Single Trip	Round Trip	Multiple
Up to 100'	\$25.00	\$40.00	\$75.00
Over 100'0"	\$50.00*	\$75.00*	

*Plus necessary and appropriate administrative, engineering and road damage fees.

Note: If a vehicle requires a permit due to multiple weight and/or dimension issues, the total fee will be based on the largest individual weight or dimension factor only.

5. The City Engineer or his or her designee is authorized to approve the application for approved routes. Upon approval and payment of all required fees, the City Engineer shall issue a permit allowing passage of the oversize and/or overweight vehicles over city streets. The permit shall be specific and contain:
 - a. Permit number.
 - b. The dates the permit is valid.
 - c. Whether the permit is for single, round or multiple trip routing.
 - d. The description of object or vehicle to be moved.
 - e. Authorized gross weight, axle weights, width, length and height.
 - f. The authorized routing over city streets including the origin and termination point within the city.
 - g. The fee paid.
 - h. The date and signature of the City Engineer or his or her designee.
 - i. In addition, the permit will specify general conditions that the permittee must comply with that are consistent and reasonable for the protection of the general public and city streets. A copy of

all permits issued will be provided to the Chief of Police and Code Official for informational purposes.

6. It is the duty of the permittee to read and familiarize himself or herself with the permit provisions upon receipt. Undertaking of the permit move is deemed prima facie evidence of acceptance of the permit and that:
 - a. The permittee is in compliance with all operation requirements.
 - b. All dimension and weight limitations specified in the permit will not be exceeded.
 - c. All operation, registration and license requirements have been complied with.
 - d. All financial responsibilities, obligations and other legal requirements have been met.
 - e. The permittee assumes all responsibility for injury or damage to persons or to public or private property, including his or her own, or to the object being transported, caused directly or indirectly by the transportation or movement of vehicles and objects authorized under the permit. He or she agrees to hold the city harmless from all suits, claims, damages, or proceedings of any kind and to indemnify the city for any claim it may be required to pay arising from the movement.
7. The permit shall be carried in the vehicle to which the permit applies at all times while operating on streets within the city, and shall be exhibited upon demand to any law enforcement officer, police officer or authorized official of the city.
8. Whenever any vehicle is operated in violation of the provisions of a city permit (whether it be by size, weight or general provisions), and either or both the owner or driver of such vehicle shall be deemed guilty – either or both the owner or the driver of such vehicle may be prosecuted for such violation. D) Exempt Vehicles:

The following vehicles are exempt from the Municipal Code relating to motor vehicle size, weight and loads:

- Vehicles owned and operated by governmental agencies.
- Public utility vehicles owned or operated by the City, other public bodies, public utility companies, or any contractor while engaged in the repair, maintenance or construction of streets or utility facilities within the City.
- Buses in operation of picking up or dropping off passengers.
- Vehicles in operation in the collection and removal of garbage or refuse.
- Private snow removal vehicles engaged in snow removal functions on private property(ies) within the City.
- Vehicles registered and used as recreational vehicles.
- Tow trucks.
- Emergency Vehicles

Sec. 32-141. Weight Limit on City Alleys and Roadways

It shall be unlawful to drive on the following roadways located within the municipal boundaries of the City of Kankakee any motor vehicle with a weight, including load, in excess of 8 tons.

- a. On Eagle Street from Harrison Avenue to Osborn Avenue;
- b. On Harrison Avenue from River Street to Eagle Street

Sec. 32-142. Insurance

- A) Owners and/or operators of escort vehicles or vehicles with oversize loads exceeding 10 feet in width, 13 feet 6 inches in height, 110 feet in length, or overweight must have in effect or be self-insured in the minimum amount of \$500,000 per occurrence combined bodily injury and property damage. Additional coverage may be required

consistent with regulations of the United States Department of Transportation, Federal Motor Carrier Safety Administration, and the Illinois Commerce Commission. For instance, a move made "for hire" will have to meet the insurance requirements established by the Illinois Commerce Commission.

- B) Owners and/or operators of vehicles with exceptionally large or heavy loads that require closing a highway, traveling at a slow speed on structures, or other maneuvers unexpected by the other motorists, may be required to have higher insurance limits, based upon an estimate of potential damages. The potential damages will be calculated by preparing an engineer's estimate of the repaving of the highway or repairing, replacing or strengthening structures, utilizing current Illinois Department of Transportation contract costs. When insurance is required, proof of coverage must be on file with the City Engineer.
- C) In the event City facilities are damaged directly or indirectly due to the transportation of vehicles or objects authorized under the permit, the City shall be reimbursed based upon the repair cost rather than depreciated value.

Sec. 32-143. Bonds and Bond Forfeiture.

All persons charged with a violation of this ordinance, a violation of Chapter 15 of the Illinois Motor Vehicle Code, 625 ILCS 5/25-100 *et. seq.* or Section 5/401(d) of the Illinois Motor Vehicle Code or any section of this ordinance shall post a cash bond in an amount equal to the amount of the minimum fine established herein or in the Illinois Motor Vehicle Code plus costs in the amount of \$25.00 for administrative costs. The Defendant may, in lieu of cash bail, deposit a money order issued by a money transfer service company which has been approved by the Office of the Comptroller of the City of Kankakee. The money order shall be made payable to the City of Kankakee.

If a person who submits a bond or money order is found guilty of or pleads guilty to any offense or fails to appear for a hearing before the Administrative Adjudication Hearing Officer, the Hearing Officer may order the forfeiture of all or part of the bond or money order to the City of Kankakee.

Sec. 32-144. Violations; Penalties.

Whenever any vehicle is operated in violation of the provisions of Section 32-140 and 32-141 herein, any person convicted of such violation shall be fined an amount not less than Fifty Dollars (\$50.00) nor more than Seven Hundred Fifty Dollars (\$750.00).

Furthermore, when any vehicle is operated in violation of the provisions of Section 32-140 and/or Section 32-141 of this chapter, the owner or driver of such vehicle shall be deemed guilty of such violation and either the owner or the driver of such vehicle may be prosecuted for such violation. Any person charged with a violation of any of these provisions who pleads not guilty shall be present in court for the trial of the charge. Any person, firm or corporation convicted of any violation of Section 32-140 and/or Section 32-141 including, but not limited to, a maximum axle or gross limits specified on a regulatory sign posted in the City of Kankakee shall be fined according to the following schedule:

Up to and including	2000 pounds overweight	=	\$50.00	
from 2001 through	2500 pounds overweight	=	the fine is \$135.00	
from 2501 through	3000 pounds overweight	=	the fine is \$165.00	from
3001 through	3500 pounds overweight	=	the fine is \$260.00	from 3501
through	4000 pounds overweight	=	the fine is \$300.00	from 4001 through
4500 pounds overweight	=	the fine is \$425.00	from 4501 through	5000
pounds overweight	=	the fine is \$475.00		
from 5001 or	more pounds overweight	=	the fine shall be computed by assessing \$750 for the first 5000 pounds overweight and \$75.00 for each additional increment of 500 pounds overweight or fraction thereof.	

In addition, any person, firm or corporation convicted of four or more violations of Section 32-140 and/or Section 32-141 within any 12-month period should be fined an additional amount of \$2500 for the fourth and each subsequent conviction.

within a 12-month period provided, however, that with regard to a firm or corporation, the fourth of subsequent convictions have been a fourth or subsequent conviction attributable to any one employee-driver. (Ord. 0770; 8 / 6/07)

Sec. 32-145. Prevention of use of Roads, Streets or Alleys by Overweight Vehicles.

The City of Kankakee Police Department is directed to institute and maintain a program designed to prevent the use of roads, streets, and alleys by vehicles which exceed the maximum weight limits allowed by Section 32-140, or the statutes of the State of Illinois or which exceed the maximum weight allowed and regulated by the City and the Statutes of the State of Illinois. Said program shall include the right to require the immediate removal of the violating vehicle from the roads, streets and alleys of the City of Kankakee and to require said vehicles to come into compliance with said applicable and requirements statutes prior to the vehicle being returned to the roads, streets, or alleys of the City of Kankakee. (Ord. 07-70; 8/6/07)

Sec. 32-146 Prosecution of Ordinance Violation.

Violations of this article or of the Illinois Motor Vehicle Code relating to overweight trucks, specifically violations of Chapter 15 or Section 5/3-401(d) of the Illinois Motor Vehicle Code, 625 ILCS 5/15-100 *et. seq.* And 625 ILCS g/3-401(d) may be decided by the Administrative Adjudication Hearing Officer as set forth in Chapter 36 of the City of Kankakee Municipal Code.
(Ord. 07-70; 8/6/07; Ord. 08-02; 1 / 22/08)

ARTICLE X. SPEED REGULATIONS

Sec. 32152. State speed laws - Application; specific alterations designated.

*State law references Speed restrictions, Ill. Rev. Stat. Ch. 95 ½, Sec. 11 601 et seq.; alteration of limits by local authorities, Ch. 95 ½, Sec. 11 604.

- (a) The state traffic laws regulating the speed of vehicles shall be applicable upon all streets within this City, except as this section, as authorized by state law, hereby declares and determines upon the basis of engineering and traffic investigation that certain speed regulations shall be applicable upon specified streets or in certain areas, in which event it shall be unlawful for any person to drive a vehicle at a speed in excess of any speed so declared in this section when signs are in place giving notice thereof.
- (b) It is hereby determined upon the basis of an engineering and traffic investigation that the speed permitted by state law outside of business and residence districts as applicable upon streets in this section is greater or less than is reasonable or safe under the conditions found to exist upon such streets and it is hereby declared that the maximum speed limit shall be as set forth in this section on those streets or parts of streets herein designated when signs are erected giving notice thereof. Sec. 32153 32 162. Reserved.

ARTICLE XI STOPPING, STANDING, AND PARKING

DIVISION 1. GENERALLY

Sec. 32 163. Procedure for leaving motor vehicle unattended: authority of police to confiscate keys left in vehicles; responsibility for violation.

*Cross Reference Authority of parking administrator to issue tickets and citations, Sec. 2 1; parking and garaging flammable or combustible liquid or LP gas tank vehicle, Sec 14-58; parking mobile homes in yards of residences, Sec. 23-3; parking mobile homes in other than park restricted, Sec. 23 4; parking or storage of unoccupied mobile home, Sec. 23 5.

- (a) No person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the ignition key from the vehicle, effectively setting the brake thereon and, when standing upon any grade, turning the front wheels to the curb or side of the highway.
- (b) Whenever any police officer shall find a motor vehicle standing unattended with the ignition key in the vehicle, in violation of this section, such police officer is authorized to remove such key from such vehicle and to deliver such key to the police officer in charge of the police station of the City.
- (c) The registered owner of a vehicle found in violation of this section shall be held prima facie responsible for any such violation. (Ord. of 7 3 67 , Sec. 1)

Sec. 32164. Taxicab stands.

When signs are erected giving notice thereof, no person shall park or stand a vehicle except while loading or unloading, except a taxicab, in any designated taxicab stand. The Chief of Police, with the approval of the City Council, may designate appropriate areas for taxicab stands. (Code 1965, Sec. 41 22)

Sec. 32165. Standing for loading in certain places.

During the times specified herein, an operator shall not stand a passenger vehicle for a period of time longer than is necessary for the loading or unloading of passengers, provided such loading or unloading shall not consume more than three (3) minutes, nor shall an operator stand any commercial vehicle for a period of time longer than is necessary to load, unload and deliver material; provided that the loading, unloading and delivery of such materials shall not consume more than thirty (30) minutes, in any of the following places :

- (1) In any public alley, during any hour of any day.
- (2) At any place not to exceed twenty five (25) feet along the curb before the entrance to any hotel during any hour of any day.
- (3) At any place not to exceed twenty five (25) feet along the curb before the entrance to any theater during the hours said theater is open for business. (Code 1965, Sec. 41 23)

Sec. 32166. Parking position.

- (a) No person shall stand or park a vehicle in a roadway other than parallel with the edge of the roadway, headed in the direction of traffic, and with the curbside wheels of the vehicle within twelve (12) inches of the edge of the roadway, except as provided in this section.
- (b) Upon those streets which have been marked or signed for angle parking, vehicles shall be parked at the angle to the curb indicated by such mark or signs. The Superintendent of the Environmental Services Utility may erect and maintain suitable signs and place and maintain suitable markings upon the surface of the roadway, requiring the parking of vehicles at any angle to the curb and with the right front wheel

within six (6) inches of the curb. Such signs shall not be erected at any place where angle parking will diminish the width of the roadway available for travel to less than twenty (20) feet. (Code 1965, Sec. 41 24)

Sec. 32167. Parking for sale, repair or advertising.

- (a) No person shall stand or park a vehicle upon any roadway for the principal purpose of displaying it for sale, or washing, greasing or repairing such vehicle, except repairs necessitated by an emergency.
- (b) No person shall operate or park a vehicle on any street for the primary purpose of advertising. (Code 1965, Sec. 41 26)

Sec. 32168. Parking on street to be cleaned.

- (a) It shall be unlawful to park any vehicle on any public street or portion thereof in the City at any time when such street is being cleaned. Signs indicating that a street or portion thereof is being cleaned shall be posted twenty four (24) hours before the cleaning of the street, and shall be removed after the cleaning of the street is finished.
- (b) Any vehicle parked on any public street or portion thereof in the City at any time when such street is being cleaned or parked in any way as to impede the street cleaning process shall be removed or towed away by the Police Department. Vehicles so removed or towed shall be stored in a safe place and shall be restored to the owner or operator of such vehicle upon payment of towing charges. Such payment of towing charges shall not be in lieu of any fines imposed by this Code. (Ord. No. 73 53, Sec. 1 , 9 4 73)

Sec. 32181. Authority of police to have illegally parked vehicles towed away.

Any member of the Police Department is hereby authorized to remove and tow away, or have removed and towed away by a commercial towing service, any vehicle illegally parked in any place. Cars so towed away for illegal parking shall be stored in a safe place and shall be restored to the owner or operator of such car upon payment of towing charges. Such payment of towing charges shall not be in lieu of any fine imposed by this Code (Code 1965, Sec. 41.34)

Sec. 32182. Time limit offense notice; payment of fine.

Each police officer or meter police shall attach to every vehicle parking in violation of a parking time limit of this division a notice that such vehicle had been illegally parked and instructing the operator to report at the office designated at the City Hall, Kankakee, Illinois, in regard to such violation. Each person may, within twenty four (24) hours of the time when such notice was attached to such vehicle, pay as the penalty for and in full satisfaction of the violation the sum of \$10.00. Failure to pay for such violation within twenty-four (24) hours shall require the payment of \$20.00 as the penalty. The failure to pay for such violation within thirty (30) days shall require the payment of \$50.00 dollars as the penalty. In addition to the foregoing penalties, the failure of such person to make such payment within thirty (30) days after the notice was attached to such vehicle shall render such person subject to the penalties provided for the violation of the provisions of this division. All fines paid for the violation of parking regulations shall be deposited in the motor vehicle parking fund of the City. (Ord. No. 79 36, Sec. 1, 8 6 79; Ord. No. 83 16, Sec. 1, 3 14 83, Ord. No. 04-73, 08-02-04)

Sec. 32183. Prohibited parking space offense: fine.

Each police officer or member of the meter police shall attach to every vehicle parking in a space prohibited (to parking by this division) a notice that such vehicle has been illegally parked and instructing the operator to report at the office designated at the City Hall, Kankakee, Illinois, in regard to such violation.

Any person found to be in violation of this section shall be subject to a fine of not less than ten dollars (\$10.00) nor more than two hundred dollars (\$200.00) for each offense. Each day any violation of any provision of this section shall continue will constitute a separate offense. (Ord. No. 79 3, Secs. 1, 2, 86 79)

Sec. 32184. Parking trucks on certain streets prohibited.

DIVISION 1.

Sec. 32186. Parking in Established City owned Parking Lots which shall read as follows:

- (a) All persons parking vehicles in a City owned parking lot within the limits of the City of Kankakee shall park vehicles within the lines or markings designating a parking spot. It shall be a violation of this ordinance for any person to park a vehicle across any such line or marking or to park any vehicle in such a position that the vehicle is not entirely within the area so designated by such lines or markings.
- (b) No vehicles shall be parked in a City owned parking lot for more than 24 consecutive hours.
- (c) Any vehicle parked in violation of this ordinance or in any way obstructing or blocking ingress or egress from a City owned parking lot shall be ticketed and immediately towed. That signs shall be erected at said City owned parking lots notifying the general public of this ordinance. (Ord.2018-15)

DIVISION 2 . PARKING COMMISSION

Sec. 32188. Established; composition.

There is hereby created a commission which shall be known as the Parking Commission and which shall consist of seven (7) members. (Code 1965, Sec. 4.15)

Cross Reference - Bond required for members of the Parking Commission, Sec. 2-2.

Sec. 32189. Appointment; term.

The members of the Parking Commission shall be appointed by the Mayor with the advice and consent of the City Council. The terms of the commissioners appointed shall be for two (2) years or until there successors are appointed and qualified. (Code 1965, Sec. 4.15)

Sec. 32190. Quorum.

The majority of Parking Commissioners appointed shall constitute a quorum for the transaction of any business referred to or under the authority of the commission. (Code 1965, Sec. 4.15)

Sec. 32191. Duties.

- (a) The Parking Commission is charged with the duty of investigating the need for and the establishment of parking places for motor vehicles within the corporate limits, and of making recommendations to the City Council concerning the regulations of the parking of motor vehicles, the methods of control to be used for such parking, the establishment and maintenance of parking places, the acquirement of lands, buildings, equipment and facilities for such parking, the operation of parking places, the fixing of charges, compensations or fees for the use thereof, the acquirement of property rights and easements for any of the foregoing purposes by gift, lease, purchase, condemnation or otherwise, and the financing of such purposes.
- (b) In addition to the foregoing duties, the Parking Commission shall have the authority and duty to investigate all ordinances proposed in the City Council regulating the parking of motor vehicles, or pertaining to any of the subjects embraced in subsection (a). All such ordinances when introduced shall first be referred to the Parking Commission for their recommendations, and the Parking Commission shall have the power and authority to hold public hearings, if in their judgment they deem it necessary as to the necessity for or the advisability of passing such ordinances, and the recommendations of the Parking Commission shall be presented to the council in writing when making their report on such ordinances. (Code 1965, Sec. 4.15)

Sec. 32192. Recommendations required prior to expenditures from parking fund.

No expenditures shall be made from any special parking fund which may be set up by the council without first referring the proposed expenditure to the Parking Commission for its recommendations. (Code 1965, Sec. 4.15)

Sec. 32193. Parking meter, division established.

There is hereby created a division of the Parking Commission which shall be known as the Parking Meter Division. (Ord. of 10-21 68 , Sec. 1)

Sec. 32194. Duties of parking meter division.

The Parking Meter Division of the Parking Commission is charged with the duties of repairing and servicing parking meters and enforcing regulations for parking as established by the City Council, and the authority to enter contracts for repairs and service to parking meters is vested in the Parking Meter Division. The Administrator of the Parking Meter

Division shall also be given authority to employ persons or contract with firms who shall provide employees to check parking meters and to authorize those persons or such firm to write fine tickets for improper or overtime parking. The number of persons employed and such persons or firm shall be approved by the Parking Commission and the City Council. All salaries shall be set by the City Council.

The Administrator of the Parking Meter Division shall also be given authority to employ the Corporation Counsel, a private attorney or a collection agency when necessary for the purpose of pursuing and collecting fines and costs from delinquent parking violators and to pay up to thirty three and one third per cent (33 1/3%) of the total fines so collected through the efforts of such person or agency employed. Nothing herein shall be construed to prevent the payment of said amount to the Corporation Counsel since said collection duties are deemed to be an extra duty of said office. (Ord. of 10 21 68, Sec. 1; Ord. No. 75 63, Sec. 1, 12 15 75)

Sec. 32195. Administrator of parking, meter division generally.

There is hereby created the Office of Administrator of the Parking Meter Division, who shall be appointed by the Mayor with the advice and consent of the City Council. He shall hold office for the term of four (4) years or until April 30, next succeeding the general city election at which a Mayor is elected, or until his successor shall be appointed and qualified. He shall be the officer in charge of the parking meter division and shall receive a salary as set by the City Council. The salary of the administrator shall be paid out of the general fund of the City. (Ord. of 10 21 68 , Sec. 1)

Sec. 32196. Deposit of funds.

All fines paid for parking violations shall be deposited in the motor vehicle parking fund of the City. (Ord. of 69 26 , Sec. 1, 9 2 69)

Sec. 32197. Payment of salaries and repairs.

All salaries for persons employed by the Parking Meter Division shall be paid out of the general fund of the City. All expenses incurred in the repair or servicing of parking meters shall be paid out of the general fund of the City. (Ord. of 121 68, Sec. 1)

Sec. 32198. Delinquent Parking Fines.

- (a) Parking fines not paid within 30 days delinquent. The City of Kankakee may file suit to collect, as well as court costs and sum of twenty five dollars (\$25.00) to cover the cost of preparation.
- (b) Interest rate of nine percent (9 %) per annum on all delinquent fees and on all judgments rendered against the responsible party. (Ord. No. 86 51)

Sec. 32199 32 203. Reserved.

DIVISION 3. PARKING METERS

Sec. 32204. Ordinances removing parking meters not affected by code.

Nothing in this Code or the ordinance adopting this Code shall be construed as repealing or otherwise affecting the validity of any ordinance order in the removal of any parking meter in the City and all such ordinances are hereby recognized as continuing in effect to the same extent as if set out at length here in.

Sec. 32205. Definitions.

For purposes of this division, these terms shall have the following meanings:

Operator. The term "operator" shall mean any person who operates, drives or is in control of any vehicle upon any street.

Park. The term "park" refers to the standing of any vehicle, whether occupied or not, upon any street for a period of time greater than is reasonably necessary for loading or unloading of persons or materials.

Parking meter zones. The term "parking meter zones" shall mean off street parking facilities and zones upon the streets.

Street. The term "street" shall mean any public street, road boulevard, highway or other public place located in the City and established for the use of vehicles.

Sec. 32206. Mayor to establish zones.

The Mayor is authorized to establish zones to be known as parking meter zones upon such streets of the City as he shall select, with approval of the City Council, for the location of such zones, and to cause parking meters to be installed and parking meter spaces to be designated as provided in this division. The Mayor, from time to time with the approval of the City Council, may add to, change or abandon the parking zones. In selecting, changing or abandoning parking meter zones, the Mayor shall be guided and governed by location, amount of traffic, the demand for parking space, the congestion of traffic, the use of the street and all other traffic conditions which may be existent. The Mayor is also directed to provide for the installation, regulation, control, operation and use of parking meters on the off street parking facilities. (Code 1965, Sec. 42.02)

Sec. 32-206.1. Convention stickers: exemption from meter payment when attached.

The City may issue convention stickers to members of organizations holding conventions in the City. These stickers shall be attached to the inside of the windshield of the vehicle, lower left hand corner, driver's side. Whenever such sticker is so attached, such vehicle shall be allowed to park in a parking meter zone without payment of the fee prescribed in this division.

Sec. 32208. Reserved.

Sec. 32209. Application of division to off-street parking facilities.

All the provisions of this division are applicable to the parking facilities insofar as they may be made to apply. (1965, Sec. 42.03).

Sec. 32210. Installation, and regulations.

The Mayor shall provide for the installation, regulation, control, operation and use of the parking meters and to maintain the meters in good workable condition. The Mayor is authorized to enter into a contract for such parts and maintenance of the parking meters as may be necessary to maintain the same in good operating condition, and to pay for such parts and maintenance exclusively from the receipts, funds and revenues received from the operation of the parking meters. (Code 1965, Sec. 42.04)

Sec. 32211. Placement and operation.

All parking meters installed in the parking meter zones shall be placed upon the curb immediately adjacent to the individual parking spaces. Each parking meter shall be placed in such a manner as to show or display by a signal that the parking space adjacent to such meter is or is not legally in use. Each parking meter shall be installed and set to display upon the deposit of a coin of the United States therein a signal indicating legal parking for the period of time allowed for such amount, and shall continue to operate from the time of the deposit of such coin until the expiration of the time allotted for such coin. Each meter shall be so arranged that upon the expiration of the allotted time, it will indicate by a mechanical operation and the exhibit of a proper signal that the lawful parking period has expired. (Code 1965, Sec.

42.05; Ord. of 7 18-66, Sec. 1)

Sec. 32212. Marking of zones; parking within markings required.

The Mayor shall have lines or markings painted or placed upon the curb or street adjacent to each parking meter for the purpose of designating the parking space for which the meter is to be used, and each vehicle parked along side of or next to any parking meter shall park within the lines or markings so established. It shall be unlawful to park any vehicle across any such line or marking or to park any vehicle in such a position that the vehicle is not entirely within the area so designated by such lines or markings. (Code 1965 , Sec. 42.06)

- a. Designating 3 (three) parking spaces at 588 East Court St., on the north side. (Ord. 02-60)
- b. Removal of first two (2) parking stalls east of Sixth Avenue on the north side of Merchant Street (Ord. 13-24) (**Rescinded** by Ord. 2013-38)
- c. Removal of first two (2) parking spaces east of Fifth Avenue on north side of Merchant Street (Ord.13-40)

Sec. 32213. Parking parallel or diagonal in designated spaces required.

When a parking space in any parking meter zone is parallel with the adjacent curb or sidewalk, any vehicle parked in such parking space shall be parked so that the foremost part of such vehicle shall be alongside of and next to the parking meter. When a parking space in any parking meter zone is diagonal to the curb or sidewalk, any vehicle parked in such parking space shall be parked with the foremost part of such vehicle directed at and next to such meter. (Code 1965, Sec. 42.07)

Sec. 32214. Deposit of coins.

When any vehicle is parked in any space alongside of or next to which a parking meter is located, the operator of the vehicle upon entering the parking space shall immediately deposit or cause to be deposited in such parking meter a coin of the United States, as indicated on the meter, and at once shall put the meter into operation as thereon directed, and the parking space may then be lawfully occupied by such vehicle during the period of time which has been prescribed on the meter for the amount so deposited. If the vehicle remains parked in any such parking space beyond the parking time limit allotted for the coin inserted in the meter, the parking meter shall display a sign or signal showing illegal parking, and in that event such vehicle shall be considered as parked overtime and beyond the period of legal parking and in violation of this division. (Code 1965, Sec. 42.08; Ord. of 7 18 66 , Sec. 1)

Sec. 32215. Parking time limits.

The insertion of the proper coin of the United States into any parking meter shall allow the occupancy by a vehicle of the parking space in conjunction therewith during the period of parking time which has been prescribed for the part of the street in which the space is located and which is prescribed on the meter. (Code 1965, Sec. 42.09)

Sec. 32216. Overtime parking.

- (a) It shall be unlawful for any person or operator to cause, allow, permit or suffer any vehicle to be parked overtime or beyond the period for which the coin he has inserted in the parking meter entitles the vehicle to occupy the parking space.
- (b) It shall be unlawful for any person or operator to permit a vehicle to remain in any parking space adjacent to any parking meter while the meter is displaying a signal indicating that the vehicle occupying such parking space has already been parked beyond the period for which the coin inserted in the meter entitles it to remain in the parking space.
- (c) It shall be unlawful for any person or operator to deposit or cause to be deposited in a parking meter any coin for the purpose of increasing or extending the parking time of any vehicle beyond the legal parking time which is allotted for such space. (Code 1965, Sec. 42.10)

Sec. 32217. Use of slugs.

It shall be unlawful to deposit or cause to be deposited in any parking meter any slug, device or thing other than a coin of the United States. (Code 1965, Sec. 42.11; Ord. of 7 18 66 , Sec. 1)

Sec. 32218. Backing into metered space prohibited; fine.

It shall be unlawful for any person to back any vehicle into a metered parking space, except where there is parallel parking along the curb of a city street and there is a designated zone.

Any person found to be in violation of this section shall be subject to a fine of not less than two dollars (\$2.00) nor more than twenty dollars (\$20.00) for each offense. Each day any violation of any provision of this section shall continue will constitute a separate offense. (Ord. No. 79 35, Secs. 1, 2, 8 6-79)

Sec. 32219. Tampering.

It shall be unlawful for any person to deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any parking meter installed in any parking meter zone. (Code 1965, Sec. 42.12)

Sec. 32220. Parking offense notice; fines.

Each police officer or meter police shall attach to every vehicle parking in violation of any provision of this division a notice that such vehicle had been illegally parked and instructing the operator to report at the office designated at the City Hall, Kankakee, Illinois, in regard to such violation. Each person may, within twenty four (24) hours of the time when such notice was attached to such vehicle, pay as the penalty for and in full satisfaction of the violation the sum of three dollars (\$3.00). Failure to pay for such violation within twenty-four (24) hours shall require the payment of six dollars (\$6.00) as the penalty. The failure to pay for such violation within thirty (30) days shall require the payment of twelve dollars (\$12.00) as the penalty. In addition to the foregoing penalties, the failure of such person to make such payment within seventy-two (72) hours after the notice was attached to such vehicle shall render such person subject to penalties provided for the violation of the provisions of this division. All fines paid for the violation of parking regulations shall be deposited in the motor vehicle parking fund of the City (Code 1965, Sec. 42.13; Ord. No. 6924 , Sec. 1, 9 2 69; Ord. No. 83 17, Sec. 1, 3 14 83)

Sec. 32221. Parking meters - hours and days of operation.

The parking meters shall control parking only between the hours of 8:00 a.m. and 6:00 p.m. on all days excepting Sundays, New Year's Day, Declaration Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. On Mondays, the above designated hours shall be extended to 9:00 p.m. When parking meters are not controlling parking, vehicles may be parked without inserting any coin in the meter, but the parking lines adjacent to the meters shall be adhered to in such parking. (Code 1965, Sec. 42.14)

Sec. 32222. Use of funds.

The coins required to be deposited in parking meters as provided in this division are levied and assessed as fees to cover the cost of the supervision, inspection, installation, operation, maintenance, control and use of the parking meters described herein and also the cost of supervising and regulating the parking meter zones created hereby. The funds will also be used for payment on bonds and interest for metered parking lots. (Code 1965, Sec. 42.15)

Sec. 32223. Fifteen minute zones.

No person shall park a vehicle for more than fifteen (15) minutes in any consecutive three (3) hour period in any block on the following streets:

Court Street to Oak Street on the West side of Harrison Avenue (Ord. No. 88 16, Sec. 2, 6-6-88)

Sec. 32224. Removal of parking meters. Fifteen minute zones.

Harrison Avenue, west side between Court Street and Oak Street (Ord. No. 70 20, Sec. 1, 4 20 70 ; Ord. No. 88 16)

Editor's Note Ord. No. 79 40, enacted Aug. 20, 1979, repealed former Sec. 32 224, concerning one hour zones in metered parking spaces, which was derived from Code 1965, Sec. 42.16 and Ord. No. 77 7, Sec. 1, enacted Jan. 17, 1977.

Sec. 32225. Two hour zones.

No person shall park a vehicle for more than two (2) hours in any consecutive four hour period in any block on any of the following streets during the times when parking meters are controlling:

Court Street, from Indiana Avenue to East Avenue. (Ord. 79-40)

East Court Street, from Indiana Avenue to Greenwood Avenue.

West Court Street, from West Avenue to Entrance Avenue.

Dearborn Avenue, from Oak Street to Merchant Street.

Dearborn Avenue, west side, from Merchant Street to Station Street.

East Avenue, from Oak Street to Station Street. (Ord. 79-40)

East Avenue, from Station Street to Hickory Street

Harrison Avenue, from Court Street to Merchant Street.

Harrison Avenue, east side, Court Street north to Kings Car Wash driveway. (Ord. 70-16)

Indiana Avenue, from Court Street to Merchant Street.

Merchant Street, north side, from Indiana Avenue to Harrison Avenue.

Oak Street, from East Avenue to Dearborn Avenue.

Oak Street, south side, from alley between Dearborn Avenue and Indiana Avenue, west to loading zone.

South Roosevelt Avenue, east side, commencing at West Hickory Street and proceeding south one hundred fifty (150) feet. (Ord. 73-51)

South Roosevelt Avenue, west side, from West Bourbonnais Street to West Hickory Street. (Ord. 73-52)

Schuyler Avenue, from Oak Street to Chestnut Street and Station Street to Hickory Street.

Schuyler Avenue, from Oak Street to Station Street. (Ord. 79-40)

Station Street, from East Avenue to Dearborn Avenue.

West Avenue, from Oak Street to Station Street.

(Code 1965, Sec. 42.17; Ord. No. 70 14, Sec. 1, 3 16 70; Ord. No. 70 16, Sec. 1, 4 20 70; Ord. No. 73 51, Sec. 1, 9 4 73; Ord. No. 73 52, Sec. 1, 9 4 73; Ord. No. 79 40, Sec. 1, 8 20-79).

Sec. 32226. Presumption of ownership.

Whenever a vehicle is parked in violation of this division, it shall be presumed that the person in whose name it is registered is the operator thereof and such person shall be subject to the penalty provided for such violation. It shall be unlawful for any person other than the driver of the vehicle to which the notice provided for in this division is attached, to remove the notice from the vehicle. Proof of the name of the person in whose name such vehicle is registered may be made from the printed booklets issued by the office of the Secretary of State of Illinois, or of such other state in which the vehicle is registered, and such proof shall be prima facie evidence that the person operating, or in charge of, the vehicle at the time of such violation and the place thereof, is the registered owner thereof as aforesaid. (Code 1965, Sec. 42-18)

Sec. 32227. Meter covers.

It shall be unlawful for any person to cover any parking meters with a cloth, bag or any covering except such covering as may be issued under a permit from the parking administrator in compliance with the following requirements:

- (1) The person desiring to occupy the space upon the streets regulated by a parking meter in connection with construction work adjacent to such street for the use of equipment or material during such construction shall make application to the parking administrator for a permit to use such space and for a cover for the meter or meters during such use. The applicant shall specify the time during which the permit is to be in effect, the place at which it shall be in effect, and the amount of meter spaces to be occupied, and shall furnish proof that he has complied with this Code and has obtained the necessary permit required under

this Code for the temporary use of the street, and shall make a deposit of ten dollars (\$10.00) for each parking meter cover and space applied for, whereupon the parking administrator, if satisfied upon investigation of the truth of the statements made in the application, shall issue such permit for not to exceed the number of feet or spaces granted under this Code and shall issue to the applicant one cover for each parking meter space granted by him. A fee of one dollar (\$1.00) per day, per bag shall be charged to the person using the meterbags.

- (2) The parking administrator is directed to cause covers to be furnished bearing the legend "No Parking" and words indicating permit from the City.
- (3) No other cover, except such as may be issued by the parking administrator under this division shall be used by any person to cover any parking meter.
- (4) Upon the expiration of the time for which the permit was issued, each such cover shall be returned to the parking administrator of the City, and if not so returned within such time, the ten dollar (\$10.00) deposit shall be forfeited to the City and in addition thereto, the applicant shall be subject to the penalties provided for violating this Code. (Code 1965, Sec. 42.19)

Sec. 32228. Removal of parking meters.

Any person who shall petition the City Council for the removal or replacement of parking meters located in front of property used for business purposes, shall include in their petition a statement agreeing to pay the costs involved in the removal or replacement of parking meters, after the removal or replacement is duly authorized by the City Council. The charges shall be paid to the City within ten (10) days after the receipt of the itemized statement showing the charges and costs involved therein. (Code 1965, Sec. 42.20)

Sec. 32229. Monthly rate for parking authorized.

The administrator of the Parking Meter Division of the Parking Commission shall be authorized to rent spaces and lots designated by the administrator for a sum of not less than eight dollars and fifty cents (\$8.50) per month, which sum shall be payable in advance and which proceeds shall be deposited in the motor vehicle parking fund of the City. The administrator shall cause the necessary records to be kept and shall provide persons on a monthly parking plan with evidence necessary to identify such vehicle. (Ord. No. 69 23, Sec. 1, 9 2 69; Ord. No. 69 25, Sec.1, 9 2 69)

Sec. 32230. Double space parking prohibited; fine.

It shall be unlawful for any person to permit a vehicle to occupy two (2) metered parking spaces.

Any person found to be in violation of this section shall be subject to a fine of not less than two dollars (\$2.00) nor more than twenty dollars (\$20.00) for each such offense. Each day any violation of any provision of this section shall continue will constitute a separate offense. (Ord. No. 79 38, Secs. 1, 2, 8 6-79)

Sec. 32231. Handicapped Parking designated for parking by vehicles bearing handicapped registration plates.

- (a) No person shall stop, stand or park any motor vehicle, which is not visibly bearing registration plates or decals issued to a physically handicapped person as evidence that the vehicle is operated by or for a physically handicapped person, in any parking space, specifically reserved, by the posting of an official sign, for motor vehicles bearing such registration plates or decals. Both the driver and registered owner or owners of said vehicle shall be responsible for any above described violations. Upon

conviction of a handicapped parking violation, a fine of seven hundred fifty dollars (\$750.00) shall be assessed (Ord. 95-78, Sec. 1, 11-6-95; Ord. No. 96-23, Sec. 1, 4-15-96).

- (b) It shall be an affirmative defense for the owner(s) of such vehicle that it has been stolen and officially reported as such.
- (c) Notice by certified mail to the registered owner at the address of registration shall be sufficient to vest In Persona jurisdiction with the Circuit Clerk or the City of Kankakee Adjudication Department.
- (d) The following parking places are designated for parking by vehicles earning handicapped registration plates or decals.

ARTICLE XIII: ALL-TERRAIN VEHICLES, MINI-BIKES, MINI-MOTORCYCLES AND DIRT BIKES

32-275: Definitions. The following words, terms and phrases, when used in this section, shall have the meaning ascribed to them in this section:

All-terrain vehicle: Any motorized off-highway device designed to travel primarily off-highway, 50 inches or less in width, having a manufacturer's dry weight of 1,500 pounds or less, traveling on 3 or more non-highway tires, designed with a seat or saddle for operator use, and handlebars or steering wheel for steering control, except equipment such as lawnmowers. Such vehicles specifically include golf carts but do not include trail bikes, agricultural tractors, farm implements and construction machines.

All-terrain vehicle dealer means any person engaged in the business of manufacturing, selling, leasing or renting all-terrain vehicles, mini bikes, as defined by this section, mini-motorcycles, as defined by this section, or dirt bikes, as defined by this section, at retail having a regular and established place of business within the city.

Dirt bike: any motorized device designed to travel primarily off-highway on 2 wheels, having a seat or saddle for the use of the operator, upon or by which any person, persons or property may be transported or drawn.

Mini-motorcycle shall mean a vehicle that has not more than three (3) wheels in contact with the ground, has a manufactured seat height of less than twenty-six (26) inches measured at the lowest point on top of the seat cushion without the rider, and is propelled by an engine having a piston displacement of less than fifty (50) c.c.

Pocket bikes, mini bikes, mini sport bikes, mini dirt bikes, chopper scooters, motor scooters, bicycles with helper motors, and any other similar vehicle (hereinafter collectively "mini bikes") shall mean any wheeled vehicle designed to transport one (1) or more persons that is powered and fully self-propelled by any type of motor.

As used in this section, "all-terrain vehicle", "dirt bike", "golf cart", "mini motorcycle" and "mini bike" shall not include the following:

- (1) Any registered "motorcycle" as defined by the Illinois Vehicle Code, 625 ILCS 5/1-147 that is required to be state registered per 625 ILCS 5/3-401.
- (2) Any registered "motor vehicle" as defined by the Illinois Vehicle Code, 625 ILCS 5/1-146 that is required to be state registered per 625 ILCS 5/3-401.
- (3) Any registered "moped" as defined by the Illinois Vehicle Code, 625 ILCS 5/1-148.2. (A motor-driven cycle, with or without optional power derived from manually operated pedals, whose speed attainable in one mile is at least 20 mph but not greater than 30 mph, and is equipped with a motor that produces 2 brake horsepower or less. If an internal combustion engine is used, the displacement shall not exceed 40 cubic centimeter displacement and the power drive system shall not require the operator to shift gears.)
- (4) Any "motorized wheelchair" as defined by the Illinois Vehicle Code, 625 ILCS 5/1-148.3. (Any self-propelled vehicle, including a three-wheeled vehicle, designed for and used by a person with disabilities, that is incapable of a speed in excess of 8 miles per hour on level ground)
- (5) Any self-propelled snow plow, snow blower or lawn mower when used for the purpose for which it was designed and operated at a speed not to exceed four (4) miles per hour;
- (6) Any vehicle owned or leased by the City;
- (7) Any Electric personal assistive mobility device as defined by the Illinois Vehicle Code, 625 ILCS 5/1-117.7. (A self-balancing 2 non-tandem wheeled device designed to transport only one person with an electric propulsion system that limits the maximum speed of the device to 15 miles per hour or less)
- (8) "Golf cart" when the vehicle, which is designed and intended for the purposes of transporting one or more persons and their golf clubs, is used on the grounds of a private or public golf course. 625 ILCS 5/1-123.

32-276: License Required

All drivers of a vehicle with less than 150cc displacement must possess a Class L or Class M Illinois driver's license to drive a motor-driven cycle.

32- 277: Operations Prohibited.

- (1) It shall be unlawful for any person to operate an all-terrain vehicle, golf cart mini bike, mini motorcycle, or dirt bike and/or for any owner of an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike to knowingly permit the operation of his/her all-terrain vehicle, mini bike, mini motorcycle, or dirt bike on any street or sidewalk in

the City or on any public property, including but not limited to school property, playgrounds and parks, within the City.

- (2) It shall be unlawful for any person to ride as a passenger on an all-terrain vehicle, golf cart mini bike, mini motorcycle, or dirt bike and/or for any owner of an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike to knowingly permit any person to ride as a passenger on his/her all-terrain vehicle, mini bike, mini motorcycle, or dirt bike operated in violation of subsection (1) above.
- (3) It shall be unlawful for any person to operate an all-terrain vehicle, golf cart, mini bike, mini motorcycle, or dirt bike, ride as a passenger on an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike, and/or for any owner of an all-terrain vehicle or mini cycle to knowingly permit its operation on any private property, within the city, without first obtaining the written permission of the property owner if the property is not owned by the operator, passenger, and/or owner of the all-terrain vehicle, mini bike, mini motorcycle, or dirt bike.
- (4) It shall be unlawful for any person to operate or to be a passenger on an all-terrain vehicle, golf cart, mini bike, mini motorcycle, or dirt bike without discharging the exhaust of the engine through a muffler or other device which will effectively prevent loud or explosive noises therefrom.
- (5) It shall be unlawful for any person to operate an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike without a valid Illinois Driver's license and/or a Class L or Class M Illinois Driver's license, depending of the vehicle driven.
- (6) It shall be unlawful for any person to operate or to be a passenger on an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike without being protected by glasses, goggles or a transparent shield.
- (7) It shall be unlawful for any person to operate or to be a passenger on an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike at night without a headlight visible from at least 500 feet and a taillight visible from at least 100 to 600 feet.
- (8) It shall be unlawful for any person to operate or to be a passenger on an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike in violation of 625 ILCS 5/11-1427 et seq.

32-278: Penalty.

- (1) Any person who operates an all-terrain vehicle, golf cart, mini bike, mini motorcycle, or dirt bike in violation of subsection (1); (3); (4); and/or (5) above, or is the owner of an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike who knowingly permits its operation in violation of subsection (1); (3); (4); and or b(5) above, shall be fined up to \$250 for a first violation, shall be fined up \$500 for a second violation, and shall be fined up to \$750 for a third or subsequent violation. All other offenses shall have a minimum fine of \$100.00 for each offense.
- (2) Any person who rides as a passenger on an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike in violation of subsection (1) above, or is the owner of an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike who knowingly permits a passenger to ride on his/her all-terrain vehicle, mini bike, mini motorcycle, or dirt bike in violation of subsection (2), shall be issued a citation. The minimum fine shall be \$100.00.
- (3) If a violation of this Title is committed by an unemancipated minor, the unemancipated minor's parent or guardian shall be responsible for the violation.
- (4) Any police officer that observes any person in violation of this section may detain such person for purposes of enforcing the provisions of this section.

32-279: Impoundment of Vehicle

- (1) Any person who violates any provision of this Ordinance while operating any vehicle, shall subject that vehicle to immediate impounding and towing and the owner of record of the vehicle or the agents of that owner shall be liable to the Village for an administrative fee of five hundred dollars plus any applicable towing and storage fees. The Administrative fee is in addition to any penalty assessed under this article. The Vehicle shall only be released to the owner upon payment of all administrative, towing and storage costs. Such vehicle shall be impounded until lawfully claimed or disposed of in accordance with Chapter 22, section 22-85 of the City of Kankakee Code.
- (2) If the owner of record of a vehicle seized pursuant to this Section desires to appeal the seizure, said owner must make a request for said hearing within twenty-four (24) hours of the seizure. Said request shall be in writing and filed with the Chief of Police or his designee. If an appeal is timely filed, a Hearing Officer of the City shall conduct such appeal hearing within forty-eight (48) hours after the request, excluding Saturdays, Sundays and holidays. All interested persons shall be given a reasonable opportunity to be heard at the vehicle impoundment hearing. The formal rules of evidence will not apply at the hearing and hearsay evidence shall be admissible. If, after the hearing, the Hearing Officer determines there is probable cause to believe that the vehicle is subject to seizure and impoundment pursuant to this Section, the Hearing Officer shall order the continued impoundment of the vehicle as provided in this Section, unless the owner of the vehicle posts with the Collection Department, a cash bond in the amount of Five Hundred and no/100s Dollars (\$500.00), plus any applicable towing and storage fees.
- (3) Unless a hearing is held pursuant to (2) above, within 10 days after a vehicle is seized and impounded pursuant to this Section, the City shall notify by certified mail, return receipt requested, the owner of record of the date, time and location of a hearing that will be conducted pursuant, to this Section. The hearing shall be scheduled and held, unless continued by order of the Hearing Officer, no later than 45 days after the vehicle was seized. The hearing shall be conducted by a Hearing Officer appointed by the Mayor. All interested persons shall be given a reasonable opportunity to be heard at the hearing. If, after the hearing, the Hearing Officer determines by a preponderance of evidence that the vehicle was used in connection with a violation of Section 32-277, and that none of the exceptions described in Section 32-275, the Hearing Officer shall enter an order finding the owner of record of the vehicle civilly liable to the City for an administrative penalty in the amount not to exceed \$500.00. If the owner of record fails to appear at the hearing, the Hearing Officer shall enter a default order in favor of the City requiring the payment to the City of an administrative penalty in an amount not to exceed \$500.00. If the Hearing Officer finds that no such violation occurred, the Hearing Officer shall order the immediate return of the owner's vehicle or cash bond.
- (4) If an administrative penalty is imposed pursuant to this Section, such penalty shall constitute a debt due to owing the City. If a cash bond has been posted pursuant to this Section, the bond shall be applied to the penalty. If a vehicle has been impounded when such a penalty is imposed, the City may seek to obtain a judgment on the debt and enforce such judgment against the vehicle as provided by law. Except as provided otherwise in this Section, a vehicle shall continue to be impounded until (1) the penalty, plus any applicable towing and storage fees, is paid to the City, in which case possession of the vehicle shall be given to the person who is legally entitled to possess the vehicle or (2) the vehicle is sold or otherwise disposed of to satisfy a judgment to enforce a lien as provided by law. If the administrative penalty and applicable fees are not paid within 30 days after an administrative penalty is imposed under Sub-section (d) against an owner of record who defaults by failing to appear at the hearing, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles. In all other cases, if the administrative penalty and applicable fees are not paid within 30 days after the expiration of time at which administrative review of the Hearing Officer's determination may be sought or within 30 days after an action seeking administrative review has been resolved in favor of the City, whichever

is applicable, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles under Section 4-208 of the Illinois Vehicle Code (625 ILCS 5/4-208)

32-280: Posting by all-terrain vehicle dealer.

Each all-terrain vehicle dealer offering for sale, lease or rental any all-terrain vehicle, mini bike, mini motorcycle, or dirt bike shall post this section in a prominent location at said all-terrain vehicle dealer's place of business. Any all-terrain vehicle dealer who violates any provision of this section shall be fined one hundred dollars (\$100.00).

32-281: Sale of gasoline for illegal purposes.

- (1) No retail dealer of gasoline shall sell, offer for sale, or attempt to sell, any article or product represented as gasoline for use in an all-terrain vehicle, mini bike, mini motorcycle, or dirt bike as defined in this section, unless that vehicle is conveyed to and from the retailer's premises by a registered motor vehicle, as defined in the Illinois Vehicle Code as may be amended, and no individual shall purchase or attempt to purchase gasoline for this purpose.
- (2) Signs with the words "FUELING OF UNAUTHORIZED VEHICLES PROHIBITED" in English and "PROHIBIDO DESPACHAR GASOLINA A VEHICULOS NO AUTORIZADOS" in Spanish at least one (1) inch in height with a contrasting margin shall be posted at all dispensing locations. The location of warning signs shall be based on local conditions but shall be visible and legible from all gas pumps.
- (3) An individual or retail dealer of gasoline who violates any provision of subsections (1) and/or (2) of this section shall be fined one hundred dollars (\$100.00) (ORD. 2021-43, 7/6/2021)
